

WOMEN'S CENTERS
— INTERNATIONAL —

September 2019

Sponsorship Opportunity

Women's Centers International www.WomensCentersIntl.org supports women in Kenya through the programs of Baraka Women's Center (BWC) including entrepreneur, vocational, and adult literacy training. BWC serves 1049 women living in the slums of Nairobi. We have helped women rise from poverty with valuable skills and confidence. Their progress enables their children's education and food security in their homes.

Actively supporting WCI reflects your company's commitment to women's equality.

On Thursday, October 24 at the WCI offices in Oakland, Women's Centers International hosts a special preview of AMAZING PLACE, a compelling documentary about Baraka Women's Center.

Funds raised during this event enable WCI to assist women in the most difficult circumstances through our unique Women's Center in Kenya. Donations are tax-deductible.
